ROYAL SOUTHERN HOSPITAL,  
LIVERPOOL,

---

REPORT  
OF  
ANNUAL MEETING

HELD AT THE

TOWN HALL

ON TUESDAY, 27TH MARCH, 1934.

---

THE Annual Meeting of Trustees and Subscribers of the Royal Southern Hospital, Liverpool, was held in the Town Hall on Tuesday, the 27th March, 1934, for the purpose of receiving the Report and Statement of Accounts for the past year, and to elect the Committee and Officers for the ensuing year.

The LORD MAYOR (Councillor G. A. Strong) presided at the outset and there were also present: Messrs. A. Allan Paton, C.B., President; T. R. W.

Armour, F.R.C.S., Vice-President; H. P. Mounsey, Capt. Gordon Robertson, R.N., C.C.; Messrs. Alfred Stott; T. Keeling, representative of Merseyside Hospitals Council; R. Watson, representative L. M. & S. Railway Hospital Fund; Dr. William Johnson; Messrs. Herbert Williams, F.R.C.S.; W. R. Williams, F.R.C.S.; Ernest Griffiths; C. Edgar Grisewood; P. Charles Kelly; Supt. H. G. Milroy; Alderman J. G. Paris; Mrs. T. R. W. Armour; Miss M. Griffiths and Miss W. Griffiths.

THE LORD MAYOR: Mr. Paton, ladies and gentlemen, first of all I would like to give you a welcome to the Town Hall, and, although I do hate to make apologies, this morning I am unfortunately obliged to make one, and that is that I will not be able to stay with you. I have to go down to the Gladstone Dock, and as my remarks do not come until fairly late in the agenda, under these circumstances I am going to ask Mr. Paton if he will be kind enough to take my place in the chair.

At the same time I would like to express my sincere wish that your Hospital will continue to get that support which you so richly deserve. I know that this question of the hospitals is a very difficult one, I mean to say from the financial point of view, but you do such wonderful work, particularly in the South end of the City, and you have been there for so long that the Southern Hospital is certainly a household word in the South end of the City.

Of course, with regard to the Voluntary Hospital system which has been maintained by the generosity of the public, which of course makes such wonderful contributions to the hospitals, contributions which are certainly very acceptable, it is a truly wonderful system without which we should be at a very great disadvantage. I would especially like to make reference to your S.O.S., and at the same time to express the fervent hope that you will get all the support which you so richly deserve.

I have lived practically all my life in the South End of the City and I know, perhaps not thousands, but certainly hundreds of people who have been benefited and always speak kindly of the helpful treatment they have received from Doctors, Matrons, Nurses and everybody connected with the Hospital. Mr. Paton will no doubt have quite a lot to say to you somewhat later on in the meeting. I wish your Hospital every success, and, apologising for my hurried departure, I will now take my leave.

THE SECRETARY having read the notice calling the meeting,

THE PRESIDENT (Mr. A. Allan Paton): The Lord Mayor was kind enough to make a suggestion in the course of his few words that I should step into the chair which he was about to vacate, but as I do not think it is quite my province to sit in the seat of the Lord Mayor at the present time, or indeed in the future either, I will retain my own seat and address you from here.

Now I notice here that the Agenda states that the accounts will be taken as read, and so I will presume that that is also your wish.

Before dealing with the Report and Accounts, I would like to refer to the great loss which we and the Hospital have had to bear by the death of Mr. J. A. Tinne, who for five years held office as a Vice-President. Those of us who knew Mr. Tinne intimately will always remember how zealously he served in the Hospital's interests. He gave 19 years valuable service as a member of the Committee, and the loss of so devoted a colleague and friend of the Hospital will long be felt.

As a mark of the Committee's warm appreciation of his services as Chairman of the Appeal Committee, Mr. T. R. W. Armour, our Senior Orthopædic Surgeon, has been elected to fill the vacant office as a Vice-President of the Hospital. To Mr. Armour we offer our heartiest congratulations on this well-merited recognition of his valuable services and in no less degree to all the members of the Appeal Committee who worked so whole-heartedly with him to pull the Hospital out of its financial difficulties.

The Hospital has recently suffered a further loss by the resignation of Lt.-Col. F. G. Ager, D.S.O., who during the past nine years has given valuable and devoted service to the Hospital as a member of the Committee. I am sure I shall be voicing the sentiments not only of the Trustees, but of every member of the Honorary and Administrative Staff, in saying that we shall miss Colonel Ager's presence at the Hospital very much, and we wish him many happy years of retirement.

Other changes in the personnel which have taken place are the resignation of Dr. E. Noble Chamberlain who, as a member of the Honorary Staff during the past ten years has rendered valuable services to the Hospital and to all the patients who have come under his care.

The full services of the Hospital have been maintained

throughout the year. The small decrease in the number of in-patients does not apply so much to the admissions to the general wards as to the lower number of admissions to the private wards. The fall in the number of out-patients is owing to the fact that the Department is now used, and rightly so, more as a consultative centre for patients referred either by their panel doctors or private doctors for advice or treatment by a Specialist.

Notwithstanding the fall in the number of patients, the amount of work done by the various departments of the Hospital throughout the year has been well up to the average. Whilst the total number of operations performed on in-patients shows a decrease, the number of out-patient operations actually shows a considerable increase. The figure for 1933 is 3,950 as compared with 3,343 for 1932.

It is pleasing to record that co-operation between the Hospital and various public bodies for the treatment of surgical tuberculosis has been fully maintained. Such co-operation has in fact been extended recently in another direction by an arrangement for the treatment by the Hospital of certain Orthopædic cases.

The work of the Pathological Department shows a marked increase, the total number of examinations being 7,724 as compared with 6,813 for 1932.

Referring to the Accounts now before you, it is very pleasing to see that the Hospital has had another satisfactory year. Thanks to the continued and untiring efforts of the Appeal Committee and the generosity of the public at large, the overdraft at the Bank has been eliminated. This magnificent achievement has undoubtedly brought the Hospital "out of the gloom" into a happier financial position, and thus enabled it to continue its full services to the sick and the maimed.

Whilst it is very gratifying to find ourselves in this improved position, it must still be borne in mind that, in order to wipe off the Overdraft we were forced to sell our free securities. This means, of course, that the maintenance of the Hospital is dependent practically entirely upon income from voluntary sources, there being no reserve funds upon which to draw. It was a serious circumstance as far as we were concerned because a hospital always likes to have a reserve of some nature or other.

In order to raise funds to balance as nearly as possible our income and expenditure in the future, a new Committee known as the "Maintenance Committee" has been established, constituted chiefly of members of the Appeal Committee, the latter body having been dissolved on the achievement of the object for which it was formed.

Our Income from many sources has decreased during the year, chiefly from subscriptions, donations, and on account of services rendered. The decrease in the number of patients is reflected in the receipts on account of services rendered which amounted to £12,953 as compared with £14,256 for the previous year.

With the long awaited improvement in the industrial world, combined with the efforts of the new Maintenance Committee, we look forward to an improvement in our Income during the current year. The grant from the Merseyside Hospitals Council amounted to £10,157 as compared with £10,133 for 1932, being an increase of £24. Whilst this Fund continues to give welcome financial assistance to the Hospital, it perhaps is not inopportune to point out that the grant represents not more than 63 per cent. of the actual cost to the Hospital of treating contributor patients. The Co-ordination Committee and the Merseyside Hospitals Council are at present endeavouring to arrange a more satisfactory basis of distribution to the Hospitals.

The decrease in income from Investments was inevitable, and is due to the conversion of the Hospital's holding in 5 per cent. War Stock into the new 3½ per cent. Loan, and also to the loss of income from securities which we were forced to realise in order to reduce the Bank Overdraft. I happen to be the President of the Bank with which the Overdraft existed. I give you my assurance that it caused no anxiety whatever, but it was our best policy not to be indebted to the Bank, and therefore we came to that decision. Owing to the high market price of our securities we were able to do it and we first of all took the step of selling our own securities, which left us bare, but you will one and all agree

it was better that we should not have this stock owing to anybody if we could do without it. The result was that we sold it, and I think the policy was quite correct.

A gratifying feature which has largely contributed to the improved financial position of the Hospital during the year was the receipt of free legacies amounting to over £9,000, as compared with £3,700 for the previous year.

On the Expenditure side we were able to show a net decrease of £2,327 19s. 4d. This pleasing result was achieved notwithstanding the fact that the Committee has during the year restored the temporary cuts in salaries and wages which have been so loyally borne by the Staff during the financial crisis.

To sum up briefly the year's financial operations, I think you will agree that it is very gratifying to find ourselves in a more favourable position with our Bankers. At the 31st December 1933 there was a Bank Debit Balance of £709 as compared with an overdraft of over £11,000 at the end of 1932.

The latter part of the year has seen marked signs of improvements in many departments of the Hospital. These improvements have been made possible by the generous grant of £3,000 made by the Trustees of the late Mr. A. R. Marshall, and comprise the modernising of the kitchen, the installation of a complete set of electric refrigerating chambers, a high pressure steam disinfecter, which you will agree was a most desirable adjunct, electrically heated food trolleys, two emergency staircases and two new operating tables. All these improvements are part of a set policy of the Committee to bring the Hospital up to modern requirements. Further improvements contemplated are extensions and alterations to the operating theatres and new floors to some of the wards and annexes. I think you will agree with me all those things are necessary, and we propose to do them as soon as we are in funds. We are unable to take those steps at present.

Before I formally move the Resolution I would like to express to the Lord Mayor and to the Lady Mayoress, our gratitude for the sympathetic and kindly interest which they show in the work of our Hospital. Their visit to the wards early in the year was deeply appreciated not only by the Committee but by the staff and the patients. I beg formally to propose:

"That the Report and Statement of Accounts be adopted, printed and circulated amongst the trustees and subscribers."

MR. T. R. W. ARMOUR: I have very much pleasure in seconding the motion proposed by the President. I do not think I need add anything to what he has said. It is obvious when you compare the debit of £11,000 on January 1st with the position at the end of the year the figures convey an adequate picture of what has happened.

The motion was carried unanimously.

CAPTAIN GORDON ROBERTSON (Acting Hon. Treasurer): No-one, I think, can ever have proposed with greater gratitude than I do, the annual resolution "That the best thanks of this meeting be given to the Subscribers and Donors of Money and Gifts in kind." I include in this all who have helped to maintain the Hospital this year, and those who have assisted in easing us of the very large debt from which we had suffered.

We are indeed more than grateful to them, one and all. Now that the large donations to our hospital are getting fewer we have to trust more to our ordinary income and I regret to say this, at present, is £4,000 below that required to retain its efficient upkeep yearly. We have lost the income from £20,000 of free securities which, unfortunately, we had to sell two years ago in order to keep the Hospital open.

I wish to ask all our friends to endeavour to help us to increase our number of yearly subscribers and contributors. Every little helps, and will be gratefully acknowledged. I would like also to remind the many thousands of more wealthy people in Liverpool that a trusteeship of this Hospital is available to all subscribers yearly of two guineas or more, while a life trusteeship is open to all who send £20 or more, and any of those contributions we will be pleased gratefully to acknowledge.

We all feel the great loss of the £20,000 of free securities, and if any individuals or any group of persons can help us to regain this amount we will be glad to invest it permanently. We shall be glad, with the generous help of all our friends, to pay our way each year and reach a triumphant centenary in

the year 1942. It is with the greatest pleasure that I wish to move "That the best thanks of this meeting be given to Subscribers and Donors of Money and Gifts in kind."

MR. H. P. MOUNSEY: I have much pleasure in seconding that resolution.

The resolution was carried.

MR. T. KEELING: Mr. President, ladies and gentlemen, when we met two years ago the Royal Southern Hospital was in debt to its bankers for a very large amount. So serious was the financial position of the Hospital that some thought the work of the Hospital would have to be curtailed, by the closing of one or two of the wards; there were even a few who thought the work and the Hospital would have to be closed down altogether, but there were other ladies and gentlemen who were determined that the great work of the Royal Southern Hospital would continue, without any reduction in its activities. They banded themselves together, formed themselves into an Appeal Committee, and they enlisted the ready help of many other willing workers. We see the result of the work of the Appeal Committee and of the many others who helped them in that work, in the wiping off of the debt to the bankers.

Now that Appeal was a special appeal, and obviously cannot continue. For one thing every hospital has its own financial difficulties, and they have all to be given a chance to make their appeals. Though the financial position of the Hospital at the moment has improved, it ought to be clear to everybody that that financial improvement can only be maintained provided the ordinary income is increased. It did appear to the General Committee that that could be a very special work for those who had been good enough to form themselves into a body and make this Appeal Committee.

If you agree to the alteration of or addition to the General Law, 14a which I propose, it will mean that those who are members of the Appeal Committee will be formed into the Maintenance Committee of the Hospital, whose special function will be to go out to increase income, so that ordinary expenditure will be met by ordinary income. In addition to that the General Committee thought we should show some appreciation of the work of the Appeal Committee, and they believe you can do that by accepting an amendment to General Law 3.

The amended law reads:

"QUALIFICATION OF TRUSTEES: The Trustees shall be as follow—(a) Every individual donor of £20 or upwards in one payment shall be a Trustee for life. Any Company, Firm, Club, Society, or Executors or Trustees of a deceased person who (or whose Testator) may give £20 or upwards in one sum, may nominate one of its members, or number, as Trustee for his or her life. (b) Every annual subscriber of two guineas or upwards shall be a Trustee so long as he or she continues the subscription. (c) Any Companies, Firms, Executors, or Trustees on the list of Trustees for Life, on the 1st day of January 1899, provided that such Trustees shall vote in accordance with the Regulations of paragraph 4 hereof. (d) The members of the Appeal Committee as on the 9th day of June 1933. (e) The Honorary Physicians and Surgeons. (f) The Honorary Consulting Officers of the Institution. The Trustees mentioned in sub-paragraphs (e) and (f) shall be ex-officio Trustees so long as they hold the qualifying office."

I believe we ought to accept that amendment so that we, as a General Annual Meeting of the Southern Hospital, can show our appreciation of the work done by the Appeal Committee, and your General Committee believe we ought to accept the new General Rule so that the good work previously done will be carried on and the members can become members of the Hospital Committee. General Law 14a reads:

"The Committee shall appoint at their first general meeting not less than ten of the trustees, of whom the Hon. Treasurer shall be one, to act as a Maintenance Committee of the Hospital for the ensuing year, for the purpose of raising funds towards the sum necessary to meet the annual deficit between ordinary income and ordinary expenditure of the Hospital. The Maintenance Committee shall have the right to co-opt not more than five persons who are not Trustees."

MR. W. R. WILLIAMS: I have much pleasure in seconding.

THE PRESIDENT: Mr. Keeling has explained to you why we consider this motion would be advisable. I myself have not had very much to do with it because I was—I won't say attacked, but at the same time I was incommoded somewhat—by being slightly under the weather from the 13th January to the present time, so that the Committee has been functioning and functioning very well indeed without my presence.

I am not conversant, to any great extent, with what this proposal means, but I am perfectly satisfied that my Committee have done well, and they have recommended it. I myself support it most whole-heartedly. I hope the assembled trustees will agree to it.

The motion was unanimously carried.

ALDERMAN J. G. PARIS: Mr. Chairman, ladies and gentlemen, I am asked to propose:

"That members nominated to serve on the General Committee for the ensuing year, and the Trustees nominated to serve on the Honorary Medical Officers' Election Committee for the ensuing five years, be and are hereby elected."

The names as printed on pages 2 and 4 of the Report which has been circulated I propose should be taken as read.

MR. C. EDGAR GRISEWOOD: I have great pleasure in seconding Alderman Paris' proposition.

The motion was carried unanimously.

MR. ALFRED STOTT: Mr. Chairman, ladies and gentlemen, I have more than great pleasure in proposing this next resolution which is:

"That the Hon. Medical Officers nominated be, and are hereby confirmed in their respective appointments for the year ensuing."

(Circulated at meeting and taken as read). It has always been my idea that for the benefit of the Hospital, as for the benefit of any business, the best results could only be obtained by close co-operation by those who were on the technical side, with those who were on what I might call the lay, or commercial side.

When I had the pleasure and honour of being appointed Chairman of the Committee it was my desire—which was readily accepted by the Committee—that we should have representatives of the Honorary Medical Board on that Committee. Therefore it gives me great pleasure to propose the confirmation of what were my views. The success of the Hospital, I think, is very largely due to the splendid co-operation there is between the Medical Staff and the Lay Staff of the Hospital. Since I have been Chairman of the Hospital they have only failed me once, and that occasion was when I had a bad attack of sciatica and I thought I ought to be up in a week, and they kept me there three weeks. Barring that single occasion, the co-operation has been splendid and the result, I think you will all realise, has been very satisfactory.

MR. R. WATSON: I have great pleasure in formally seconding the proposal.

The resolution was carried.

MR. P. C. KELLY: Mr. Chairman, ladies and gentlemen, I have very much pleasure in moving:

"That the best thanks of this meeting be given to the President, Hon. Treasurer, Committee and Hon. Medical Officers, for their valuable services during the past year."

For a few years I have had the very great pleasure of proposing this resolution, and as I do not want to waste your time by repeating what I have said on previous occasions, I shall, although very deeply conscious as I am and I am sure everybody else is, of the very valuable work these gentlemen give to the Hospital—not go into great detail.

At the same time I would like to say, although it is not quite relevant to the subject, that I am certainly in very thorough agreement with the policy that the Committee adopted in realising their securities for the purpose of paying off the bank. As you are all aware—gentlemen like Mr. Paton and other gentlemen who rule these great concerns—all banks invariably charge a great deal more in the way of interest than we would ever be likely to get from the securities we realised.

MR. ERNEST GRIFFITHS: I have much pleasure in seconding the resolution.

The resolution was carried.

MR. HERBERT WILLIAMS: Mr. President, ladies and gentlemen, before I propose this resolution, which in part concerns the sisters and nurses, I think it is proper that I should mention the increasing difficulty in training the probationers which we experience at the present time. For years the nursing staff has been increasing in numbers, and the training has been becoming more elaborate and more comprehensive. This year there has been no corresponding development, as far as the building is concerned. We find ourselves short of sitting rooms, bedrooms and class rooms; in short we are in need of a very substantial addition to the Nurses' Home.

Unfortunately, as the President has already said, this is not the only urgent necessity of the Hospital. Five or six years ago there were elaborate plans drawn up for additions to the operating theatre, but unfortunately that improvement had to be turned down through sheer lack of money. It seems almost ungracious to mention these requirements after the magnificent support of the appeal last year, but the Hospital exists for the benefit of the public, and I make no apology for making further appeals. If the Hospital is to continue to progress and serve the public, the money must be forthcoming, somehow or other. I have much pleasure in proposing:

"That the best thanks of this meeting be given to the resident medical and nursing staffs for their careful and zealous attention to the patients during the past year."

DR. JOHNSON: I have pleasure in seconding that resolution. It includes recognition of the work of the resident doctors who have during the past year worked well with us, and as a result the whole work of the Hospital has gone on smoothly, and we are very grateful for their co-operation. As regards the nursing staff I am often told there is a fine spirit in the Hospital, and I always consider that is a definite compliment to our excellent nursing staff.

THE PRESIDENT: I am not certain, when I look carefully at this, that I should be responding here. I am mentioned in the first resolution proposed by Mr. Kelly, and the medical staff is mentioned in the second, so really I should not reply to both or for both. As to the medical and nursing staffs, I am not certain that I should not suggest that they should respond themselves, if the resolution is carried.

I can at least say a few words about the President, the Hon. Treasurer, the Committee and the Hon. Medical Officers for their valuable services during the past year. Mr. Kelly has spoken about the overdraft, and as representing the Bank may I say that we have to make some money in order to pay our staff, etc., but we cut the overdraft off; we thought we were really being charged too much money and that the Bank could well do without that particular sum which was afforded by the Hospital's overdraft.

While I am on the subject of finance I would in particular like to say that the Hon. Treasurer, Mr. Parker, regrets very much his absence at the present time. He was forced by circumstances to go out to the West Indies. We regret very much not having had him with us, but at the same time we know he wishes he could have been with us. The Committee have been very efficient, and the fact that we have now no overdraft speaks for itself. To the Hon. Medical Officers we do try to show our appreciation in several ways, among others, election as Vice-Presidents.

Although we feel rightly that we are doing such a great work for the public good as a Hospital, we nevertheless feel pleased to know that we have got the Civic Authorities behind us. Every time I have anything to do with the Southern Hospital in the way of illnesses I have always found I am more than happy to accept from them what they are willing and capable of offering. As yet I have not occupied a bed in the Hospital, but I have seen the people inside. I ask them questions and make enquiries, and although they do not know me they have nothing but praise to offer for the services rendered to them. I think we do a good and useful work.

MR. T. R. W. ARMOUR: I have been asked to propose a vote of thanks to Mr. Paton for acting as Chairman to-day. I do so with great pleasure. It is a matter of great regret that Mr. Paton, as he puts it, has been under the weather, and we are very glad to see him back again, and hope he will be quickly restored to health. I also wish to propose a vote of thanks to the Lord Mayor for his kindness in allowing us to use the Town Hall to-day.

The President briefly responded and the proceedings terminated.

Instructions in Anæsthetics will be given by the Honorary Anæsthetists on the first three Wednesdays in each term.

Autopsies are performed by the Pathologist as occasion arises.

# ANNUAL REPORT

OF THE

## Committee of the Royal Southern Hospital

FOR THE YEAR 1933.

ADOPTED AT A MEETING HELD AT THE TOWN HALL, ON TUESDAY, 27th MARCH, 1934, Councillor G. A. STRONG, Lord Mayor, in the Chair.

THE Committee begs to present to the Trustees, Subscribers and other Friends, the 92nd Annual Report for the year ended 31st December, 1933.

### THE YEAR'S WORK.

IN-PATIENTS.		1933	1932
Under treatment at beginning of year	... 195	201	
Admitted during year	... 3,741	3,897	
		<hr/>	<hr/>
	3,936	4,098	
Under treatment at end of year	... 180	195	
		<hr/>	<hr/>
Total number treated to conclusion...	... 3,756	3,903	
Discharged during the year—Cured	... 1,186	1,157	
Relieved	... 2,346	2,561	
Died	... 189	177	
Brought in dead	23	11	
		<hr/>	<hr/>
	3,744	3,906	

Of the above admissions 1,245 were Medical and 2,496 Surgical.

OUT-PATIENTS.			1933	1932
Total number of New Patients	...	...	23,711	24,375
Total number of Attendances	...	...	110,881	118,541
	New Cases	Attendances	1933 Total	1932 Total
Medical Casualty	2,176	1,291	3,467	3,808
Surgical Casualty	12,611	36,410	49,021	55,776
Medical Out-Patients	969	2,528	3,497	3,419
Surgical Out-Patients	1,444	3,081	4,525	4,815
Orthopædic Department	919	2,861	3,780	3,469
Aural and Laryngeal Depts.	617	1,351	1,968	1,730
Ophthalmic Department	91	529	620	573
Neurological Department	227	1,527	1,754	1,451
Gynæcological Department	101	98	199	268
Skin Department	159	1,634	1,793	2,334
Heart Department	59	146	205	241
Cardiograph Department	210	—	210	201
Dental Department	18	—	18	15
X-Ray Department	3,098	1,630	4,728	4,742
Electro-therapeutic and Massage Department	668	17,052	17,720	19,307
Sunlight Department	53	2,973	3,026	3,606
Venereal Diseases—Males	200	11,039	11,239	11,061
Females	91	3,020	3,111	1,725
	23,711	87,170	110,881	118,541

OUT-PATIENT DEPARTMENT.—In furtherance of the principle that this Department should be used for consultative purposes only, except in cases of accident and emergency, the Out-patient Department Dispensary was closed as from 1st July, 1933. Such prescriptions as are required for out-patients are dispensed in the Hospital.

The comfort of the out-patients is greatly enhanced by the fact that they are able to obtain refreshments during waiting periods under an arrangement made with the Liverpool British Women's Temperance Association.

OPERATIONS.—Although the number of operations performed in the Hospital shows a reduction on account of the smaller number of in-patients treated, the operations in the Out-patient Department indicate a considerable increase. The operative work of the Hospital is severely handicapped by the lack of accommodation which the Committee has been unable to improve on account of the financial position

of the Hospital. It is hoped that with improved finances it may be possible to renew the sterilising equipment and to create a new sterilising room so situated as to enable it to be used by both the Hospital theatres. The cost of this improvement will amount to approximately £1,500. The strenuous activities of the Department may be envisaged from the following record of Operations :—

		Hospital	Out-Patient Dept.	Total 1933	Total 1932
Under General					
Anæsthetics	...	1,857	779	2,636	2,447
„ Local „	...	336	332	668	513
Without „	...	309	337	646	383
		<hr/>	<hr/>	<hr/>	<hr/>
		2,502	1,448	3,950	3,343

X-RAY DEPARTMENT.—The vast service performed by this Department conveys great benefits both as a curative and as a diagnosis agent as the following comparative statistics for the past five years reveal :—

	1933	1932	1931	1930	1929
Radiograms taken	14,656	15,706	15,822	14,739	13,246
Treatm't applications	2,638	2,100	3,008	3,546	4,320
Screenings, Bismuth					
Meal	... 4,180	4,542	4,300	4,610	4,320
Chest Films	... 1,396	1,462	1,040	790	691
Kidney, Bladder, &c.					
Films	... 2,460	2,642	2,450	1,987	1,504

The statistics of patients and attendances for the same period are as under :—

IN-PATIENTS :—	1933	1932	1931	1930	1929
New cases	... 2,384	2,667	2,439	2,194	1,980
Attendances	... 3,119	3,441	3,363	3,725	3,228
OUT-PATIENTS :—					
New cases	... 3,098	3,350	3,483	3,149	2,742
Attendances	... 1,630	1,405	1,751	2,046	2,159
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
	10,231	10,863	11,036	11,114	10,109

ELECTRO-THERAPEUTIC AND MASSAGE DEPARTMENT.—During 1933, important changes were made in the administration of this Department. Mr. Harman Taylor was appointed Honorary Medical Officer in charge of the Department and Miss E. M. Meredith was appointed Principal in succession to Miss E. M. Francis, resigned.

The comparative statistics for the past five years are as follow :—

	1933	1932	1931	1930	1929
New Cases ...	999	1,130	1,188	1,126	928
Attendances for :—					
Massage ...	18,313	22,045	22,089	23,375	16,678
Medical Exercises	10,033	4,687	4,793	3,171	2,565
Whirlpool Baths	4,970	7,451	7,556	9,388	8,804
Radiant Heat ...	3,402	5,355	4,860	5,496	4,028
Electrical					
Treatment ...	7,540	7,130	8,115	10,247	6,405
Diathermy ...	1,946	2,214	2,493	1,973	1,565
Paraffin Wax Baths	976	997	1,152	1,227	1,037
	47,180	49,879	51,058	54,877	41,082

ACTINO-THERAPEUTIC (SUNLIGHT) DEPT. The curative effects of “ Artificial Sunlight ” treatment are now well-known, and this Department, which is in the honorary charge of Dr. A. A. Fitch, continued its beneficent work during the year. As in the other special departments, the number of patients and attendances show decreases on account of the fall in the total number of in-patients and out-patients treated.

The number of new cases and lamp treatments during the past five years are as under :—

	1933	1932	1931	1930	1929
New Cases ...	118	175	194	168	153
Attendances for :—					
Mercury Vapour Lamp	2,107	2,777	4,069	2,824	1,855
Carbon Arc Lamp ...	1,468	2,145	1,927	2,550	1,904
Tungsten Lamp ...	8	—	9	172	13
Kromayer Lamp ...	1,027	552	338	118	—
Infra Red Lamp ...	27	—	—	—	—

SCHOOL OF MASSAGE, MEDICAL GYM-  
NASTICS AND MEDICAL ELECTRICITY.—The  
changes in the personnel of the Electro-therapeutic and  
Massage Department apply also to the School. In order  
to conform with the requirements of the Chartered Society  
of Massage and Medical Gymnastics, it was decided that in  
future students should be accepted for the full training in  
the Conjoint, Medical Electricity and Light and Electro-  
therapy, and not for the Conjoint Course only.

Having regard to the increasingly high standard of the  
Society's examinations, the number of passes continues to  
be satisfactory. The examination results for the year 1933  
are as under, viz :—

#### EXAMINATION RESULTS.

	Entries.	Passes.
Part I—Conjoint (Anatomy and Physiology)	23	19
Part II— „ (Massage and Remedial Exercises)	21	15
Medical Electricity ... ..	22	14
Light and Electro-therapy ... ..	11	9

The number of students in training as on the 31st Dec-  
ember, 1933, was 38.

CHILDREN'S DEPARTMENT.—The work of this  
Department continues unabated both in the Hospital and in  
the Out-patient Clinics in cordial co-operation with the  
Liverpool Child Welfare Association and kindred bodies.  
During the year, the 23 beds in the Horsfall (Children's)  
Ward were almost constantly full. The admissions to the  
Ward during the year were as under :—

Boys	...	...	...	...	153
Girls	...	...	...	...	114
Total ...					267

SURGICAL TUBERCULOSIS.—The comparative  
record of work under the Government scheme for the treat-  
ment of this disease is as under, viz :—

	Male	Female	1933	1932	1931	1930	1929

## FINANCE, 1933.

By the deposit of the title deeds of the Hospital's land and buildings, the Committee was able to complete satisfactory arrangements with its bankers.

The lack of adequate free securities is a great disadvantage. The Hospital's only investments on General Fund are :—

£675 3% Local Loans.      £50 3½% War Stock.

Both these securities became available during the year under review. The Committee hopes that it will be possible to build up a reserve of free securities, and donations in the form of investments would be welcomed gladly.

The response to the Appeal to "Save our Southern" is largely responsible for the improved financial position of the Hospital. The necessity of maintaining the Hospital in its full activities engages the constant attention of the Committee, and, with this object in view, a Maintenance Committee consisting chiefly of members of the Appeal Committee has been appointed. This Committee's endeavour will be to raise sufficient money to cover the annual deficit on Maintenance Account.

In spite of the many drastic economies which have been effected and which have resulted in a further reduction of £2,328 in ordinary expenditure, the Maintenance Account shows a deficit of £4,062.

A report of the Appeal Committee appears on pages 24 and 25.

### ORDINARY INCOME.

The variations are summarised as under :—

The variations are summarised as under:													
	1933			1932			Increase			Decrease			
	£	s.	d.	£	s.	d.	£	s.	d.	£	s.	d.

Invested													
Property ...	2,947	3	10	3,468	15	6				521	11	8	
	29,993	13	5	31,784	6	4	337	7	0	2	127	19	11
Net decrease ...	1,790	12	11				1,790	12	11				
	31,784	6	4	31,784	6	4	2,127	19	11	2,127	19	11	

SUBSCRIPTIONS, DONATIONS & GIFTS. This source of income continues to diminish. New subscribers and donors are urgently required to compensate for the income lost by the deaths of old supporters.

MERSEYSIDE HOSPITALS COUNCIL. The income from this source shows a slight increase of £24, the allocation for 1933 being £10,157 as against £10,133 for 1932.

It is the earnest hope of the Committee that the efforts which are being made by the Council to increase the income of the Associated Hospitals will meet with the success which is deserved.

RECEIPTS ON ACCOUNT OF SERVICES RENDERED. The decrease from this source is mainly due to the smaller number of In-patients treated, the principal fluctuations being in respect of Private Patients (net decrease, £506 18s. 9d.) and Venereal Diseases' Patients (net decrease, £433 8s. 1d.).

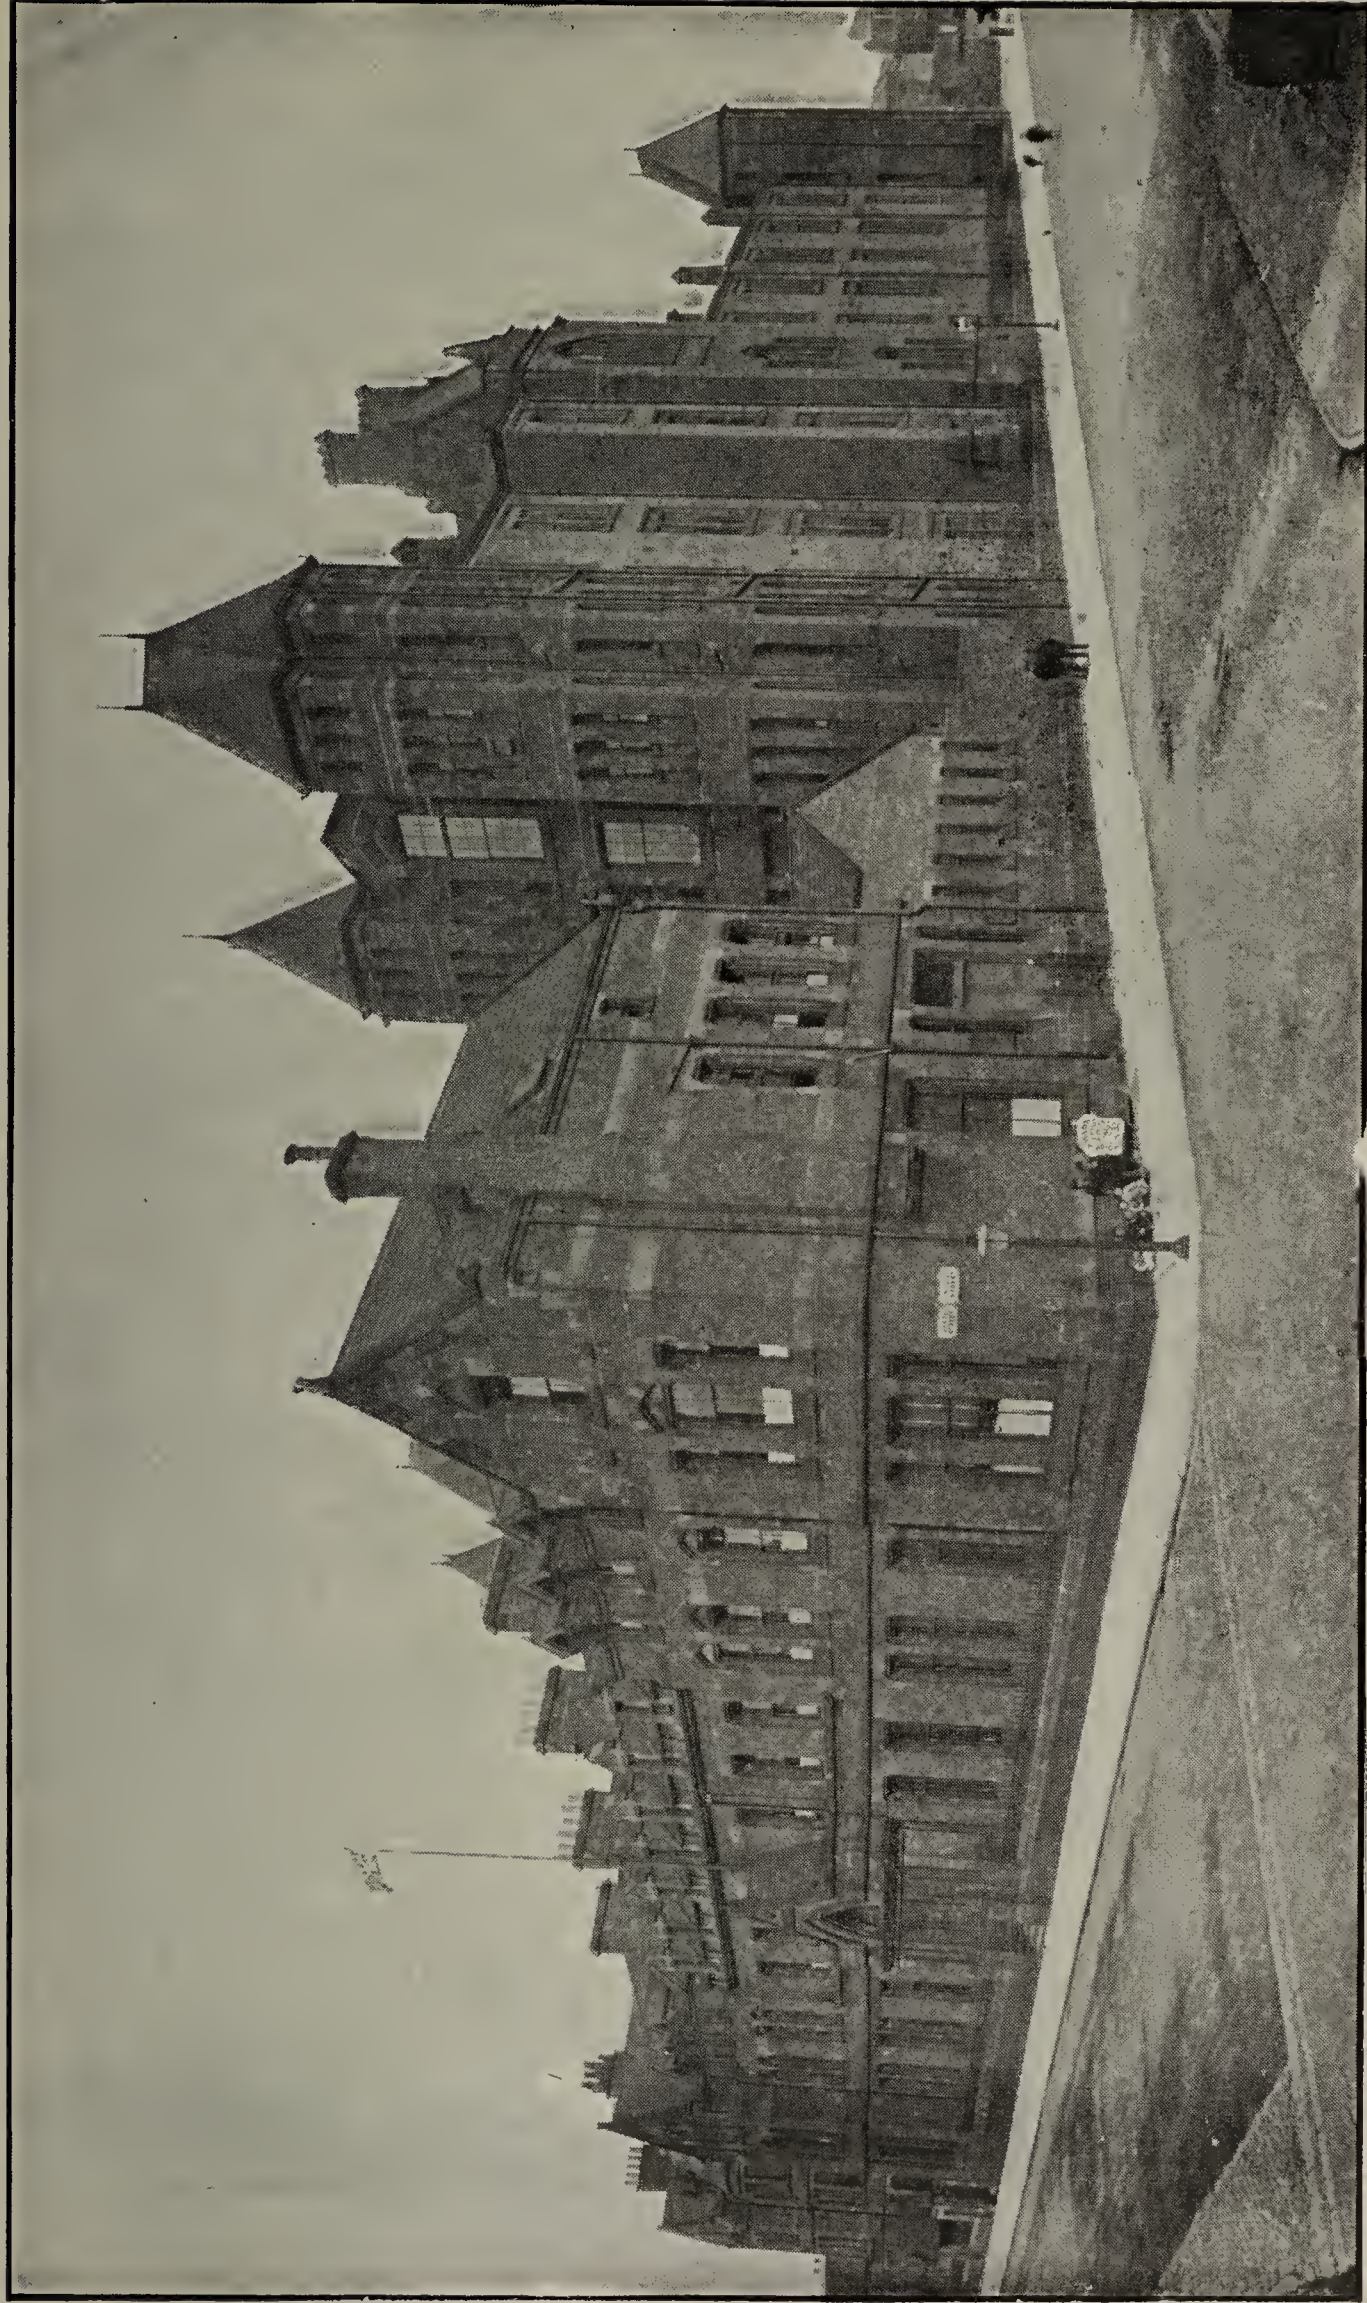

The new item under this heading, namely "Pay Beds In-Patients," shows an income of £446 3s. 4d. for 1933 as against £183 3s. 0d. for 1932. In 1932 the Committee instituted the system of "Pay Beds" for patients able to pay the cost of their maintenance whilst receiving free medical or surgical services from the Honorary Medical Staff. "Pay Beds" have the advantage of an additional Visiting Day and certain privileges.

INCOME FROM INVESTMENTS. The decrease of £521 11s. 8d. was foreshadowed in the last Annual Report and is due to the conversion of 5% War Stock into the new 3½% Loan, and a full year's loss of income from securities realised to reduce the bank overdraft in 1932.

#### ORDINARY EXPENDITURE.

THE ROYAL SOUTHERN HOSPITAL AT THE PRESENT TIME.

WILLIAM ADAMSON OUT-PATIENT DEPARTMENT (Opened 21st November, 1910).

The increases under Domestic and Establishment are due to annual cleaning work, renewals and repairs which had become imperative. The reduction under Finance is due to decreased Interest on the diminished Bank overdraft.

The improved financial position of the Hospital enabled the Committee to restore the temporary reductions in salaries and wages which had been made at the time of the financial crises in 1932.

## EXTRAORDINARY INCOME.

The undermentioned free legacies available for general purposes were received during the year, and have very largely contributed to the improved financial position.

From the Executors of :—

	£	s.	d.		£	s.	d.

## CAPITAL.

The following Endowments were received during the year :—

British Broadcasting Corporation, North Regional Radio Circle Cot .....	500	0	0
John Marr Cot Endowment.....	500	0	0
Anthony Robert Marshall Bed Endow- ment .....	2000	0	0
Miss Jane Ellen Williams Bed Endow- ment (The Anglesey Bed).....	1000	0	0
John Jones (Mayfield) Bed Endowment (Transferred from Appeal Fund) .....	1000	0	0
Alfred Pollit Memorial Fund .....	25	0	0
	<hr/>		
	£5025	0	0
	<hr/>		

The Committee records with grateful thanks the receipt of £3,000 to be used for Buildings and Equipment from the Trustees of the Estate of Anthony Robert Marshall. This munificent gift has enabled the Committee to embark upon much-needed schemes of capital expenditure, *e.g.*, kitchen improvements (including the installation of Aga Cookers), and a refrigerating chamber. This and other expenditure to be made during the current year will be duly recorded in the next Annual Report.

The only item of capital expenditure appearing in the Balance Sheet for 1933 is £34 for an iron staircase from Horsfall Ward. This is rendered necessary as a fire precaution, and the Committee has under consideration other means of fire precaution and escape.

As stated in the last Annual Report, the Committee considers that the valuation of the land, buildings and equipment of the Hospital as shown in the Balance Sheet is too high, and it was proposed to write down these assets to their approximate estimated value before the publication of the present Report. The Committee has not yet been able to arrive at a satisfactory estimate of the approximate value, but the matter is still receiving consideration.

The final outcome of the year's financial operations, as reflected in the General Bank Account, is as stated hereunder :—

	£	s.	d.	£	s.	d.
Receipts—						
Sundry Debtors as at 31st December, 1932 .....	4,385	19	6			
On account of Income for 1933 .....	33,796	1	2			
Transfer from Appeal Fund.....	7,500	0	0			
Endowments (excluding transfer from Appeal Fund).....	4,025	0	0			
Capital Account :—						
Buildings and Equipment, Trustees of the late Anthony Robert Marshall .....	3,000	0	0			
Transfers from :—						
Newbolt Memorial Fund .....	7	11	3			
Geoffrey Hughes Memorial Fund .....	3	9	1			
				52,718	1	0
<i>Deduct :—</i>						
Payments—						
Sundry Creditors as at 31st December, 1932 .....	4,982	14	11			
On account of Expenditure for 1933 .....	29,610	1	7			
Endowment invested .....	25	0	0			
				£34,617	16	6
Bank Overdraft as at 31st December, 1932 .....	£11,809	15	8			
				£46,427	12	2
Bank Credit Balance as at 31st December, 1933 .....				£6,290	8	10

Allowing for the sum of £7,000 lodged in the General Account for Capital purposes (£4,000 on account of Endowments and £3,000 on account of Buildings and Equipment) there is a *Bank Debit Balance* as at 31st December, 1933, of £709 11s. 2d.

## SPECIAL FUNDS.

Although the Capital and Income of these funds are not available for purposes other than those for which the funds are established, they are of considerable value in that they augment the services of the Hospital in accordance with the particular needs for which they are intended to provide. The Committee's grateful thanks are given to those who have supported these funds during the year.

**CHRISTMAS FUND.** Donations to this fund for the year 1933 amounted to £141 14s. 0d., as compared with £94 13s. 0d. for 1932. This increase is very gratifying as the Christmas cheer provided is much appreciated by both patients and staff.

**JOHN RANKIN FUND FOR NURSES.** This Fund provides educational and social benefits which are greatly appreciated by the Nursing Staff. For these special advantages for the welfare of the Nurses, the Fund during the year disbursed the sum of £596 19s. 9d., an increase on the previous year of £83 2s. 11d.

**CONVALESCENT FUND.** As a large proportion of the patients are entitled to free convalescent treatment under the 1d. in the £ Scheme, the use of this Fund is limited to those who are not in that category. It is believed, however, that new arrangements that have been made will greatly enhance the usefulness of this Fund in the very valuable work it performs. The record of cases benefited during the year is as under:—

Liverpool Convalescent Institution, Woolton.....	1
Southport Convalescent Hospital .....	4
	—
	5
Referred to Merseyside Hospitals' Council.....	86
	—
	91
	—

**"AFTER-CARE" FUND.** The auxiliary "After-care" services of the Merseyside Hospitals' Council and the Personal Service Society provide considerable benefits and this Fund is now used only for cases not assisted by those bodies. During the year the Fund disbursed £6 16s. 3d.,

and received in contributions from patients £4 1s. 0d. If financial help were forthcoming to increase the small existing balance of £35, more relief could be afforded.

TEACHING AND RESEARCH FUND. The important work of teaching and research has continued during the year, and the Fund provided Instruments at a cost of £12 5s. 4d., and paid hiring charges for Radium Emanation Apparatus amounting to £3.

## SPECIAL THANKS.

The Committee desires to express its gratitude to all who, during the year, have assisted the Hospital by their services or gifts of money, or in kind, and gives special thanks to those hereunder mentioned:—

To all those associated with the Appeal who have worked so earnestly with the single desire to keep open the doors of the Hospital.

To the Committee and members of the Ladies' Linen League for continued support, and for the provision of bedding and linen to the value of £149 19s. 9d. given during the year.

To the Liverpool British Women's Temperance Association for voluntary catering services for students and out-patients.

To the Liverpool Corn Trade for its donation of £45 to provide a Christmas Entertainment for children attending the Out-Patient Department, and to all those who gave their services and gifts in kind in connection with this function.

To Mr. Ernest Griffiths, M.I.Mech.E., for valuable consultative services in many engineering matters.

To the Mersey Docks and Harbour Board for free supplies of firewood throughout the year.

To Messrs. Grayson, Rollo & Clover Docks, Limited, and their employees for continued free transport of firewood.

To Messrs. Frank Hay, Limited for many free transport services.

To all those who have assisted by their thoughtful gifts in kind.

GUILD OF UNDERGRADUATES. The Committee gives grateful thanks to the Students for their donation of £400 to the General Fund.

## **MERSEYSIDE HOSPITALS' COUNCIL.**

The Committee makes grateful acknowledgment to the Merseyside Hospitals' Council for its grant in respect of the year 1933 amounting to £10,157. This figure represents a slight increase of £24 in comparison with 1932.

## **ADMINISTRATION.**

GENERAL COMMITTEE. Mr. T. R. W. Armour was elected a member of Committee and a Vice-President in succession to Mr. J. A. Tinne, J.P., deceased. The Ven. Archdeacon Howson was appointed Honorary Hospitaller with membership of the Committee.

HOSPITALLER. The Rev. G. T. Weston was appointed Hospitaller in succession to the Ven. Archdeacon Howson, resigned.

BOARD OF MANAGEMENT. Mr. H. W. G. Lewis and Mr. J. H. G. Pattinson resigned membership of the Board, and Mr. T. Keeling was elected a member.

NURSING COMMITTEE. Dr. N. B. Capon was appointed Chairman in succession to Mr. Herbert Williams, resigned.

**MAINTENANCE COMMITTEE.** This Committee was appointed as a standing committee charged with the duty of raising sufficient money to cover the annual deficit on Maintenance Account. The names of the members of the Committee appear on page 27.

**HONORARY MEDICAL OFFICERS' ELECTION COMMITTEE.** Mr. Henry H. Bell and Mr. P. Charles Kelly were elected members of this Committee.

**CO-ORDINATION COMMITTEE.** During the year under review, the Report on the Liverpool Voluntary Hospitals, furnished by Dr. T. S. McIntosh of the Ministry of Health, was issued and is receiving attention and consideration by the Committee in collaboration with other bodies.

**MEDICAL STAFF.** Mr. Harman Taylor was appointed Medical Officer in charge of the Electro-therapeutic and Massage Department, and Mr. B. L. McFarland was appointed Honorary Assistant Orthopædic Surgeon.

Dr. Donald Owen succeeded Dr. C. Allan Birch as Medical Tutor and Registrar, and Mr. O. Vaughan Jones succeeded Mr. S. V. Unsworth as Surgical Tutor and Registrar.

**SUPERINTENDENT AND SECRETARY.** Mr. Frank Solman, Assistant Secretary, Westminster Hospital, London, was appointed Superintendent and Secretary in succession to Mr. Allen Naldrett, deceased.

## OBITUARY.

SIR ROBERT JONES, K.B.E., C.B., Ch.M., D.Sc., LL.D., F.R.C.S. Eng. Ire. and Edin., Honorary Surgeon for twenty-nine years and Honorary Consulting Surgeon at the time of his death.

MR. J. A. TINNE, J.P., Vice-President, for nineteen years a member of Committee until his death.

MR. ALLEN NALDRETT, Superintendent and Secretary, for twenty-seven years until his death.

## REPORT OF THE APPEAL COMMITTEE.

	A. YARWOOD.

The Appeal Committee has great pleasure in reporting that the Hospital's large overdraft at the Bank has now been paid off and the main object for which the Committee was appointed on May 6th, 1932, has thereby been achieved. A sum of £10,147 17s. 6d., has been raised during the year 1933, making a total of £32,471 5s. 8d. collected during the nineteen months of the Committee's existence. The total expenses amount to £1,405 4s. 9d., leaving a balance of £31,066 0s. 11d. as shewn in the account given at the end of this report. This result could not have been achieved without the wholehearted support and co-operation of all who have the welfare of the Royal Southern Hospital at heart. All sections of the community rallied with vigour and enthusiasm to the Hospital's call for help and responded nobly with contributions varying in amount from 2d. to £1,100.

The members of the Appeal Committee wish to express their very sincere thanks to all those who have helped them so generously to continue in 1933 the work they began the previous autumn. They are grateful to the Watch Committee of Liverpool for permission to hold a Flag Day on March 25th, 1933, and to the thousand people who assisted to raise the splendid sum realised that day. They wish to express their appreciation of the kindness of the Town Councils of Carnarvon, Rhyl, Holyhead, Llangefni, Llanfairfechan and Harlech for permitting Flag Day collections in their townships by which contributions were added to the Appeal Fund. They wish, also, to give special thanks to the staffs of the various Railway Companies in the Liverpool area, and to the Directors of the Everton Football Club Co., Ltd.

The Southern Savers' Club has continued its useful work, and, by way of subscriptions and other means has raised £15,069 3s. 3d. At the end of the first year there were 3,482 Members on the register of whom 341 were Fellows. ~~A list of those continuing their membership for the year 1933/4 is given on page —.~~ During the year a Social Section of the Club was formed with the object of providing social activities.

As the object of the Appeal has now been achieved, the General Committee of the Hospital decided that the Appeal Committee should be dissolved on December 31st, 1933. Although, however, the Hospital has been saved from the immediate necessity of closing its doors, it is imperative that the ordinary annual income of the Hospital should be increased by at least £4,000 in order to cover the ordinary expenditure and so avoid the accumulation of a further overdraft. For this purpose the General Committee has appointed a Maintenance Committee which is referred to elsewhere in the Hospital Report. Most of the Members of the Appeal Committee have volunteered for service on this new Committee and it is sincerely hoped that all who have assisted the Appeal will continue to give their loyal co-operation and support to keep the Royal Southern Hospital free from debt from year to year.

THEODORE R. W. ARMOUR,

20th March, 1934.

Chairman.

## REPORT OF THE HOSPITALLER,

*For the year ended 31st December, 1933.*

The interest shewn in the Chapel Services both by the Staff and also those Patients who have been able to attend has proved most encouraging. The Committee are greatly indebted to those who have so ably played the Organ at the Services. The organ now in use was kindly presented last year by Dr. D. Smart.

Usually Prayers are taken in two Wards during the week, and an address is given. It is believed that these Services are really welcomed.

On the third Saturday of every month, there is a celebration of Holy Communion, when the Sacrament is administered to the Patients in the Wards who have expressed their desire to communicate.

It is hoped that before long it may be possible to put another stained glass window in the Chapel—the “Doctors’ Window.” There is already a “Nurses’ Window.” Donations for this purpose would be most welcome.

At present there are two windows on one side of the Chapel and one on the other. Two of them were designed by the daughter of our Honorary Hospitalier, Archdeacon Howson; the other, a Burne-Jones window, was renovated by her.

We are much indebted to the Archdeacon for the series of Special Services he has held, and also for taking the early Celebrations on the Greater Festivals. His interest is real and most welcome.

G. T. WESTON,  
*Hospitalier.*

## REPORT OF THE TEACHING AND RESEARCH FUND SUB-COMMITTEE,

*For the year ended 31st December, 1933.*

The Teaching and Research Fund was established in the year 1931 by a donation of £250 from the Medical Board, supplemented by a grant of £750 from the general funds of the Hospital. The Fund is controlled by a small committee composed of medical and lay members.

The total amount expended on instruments and appliances and on hire of radium emanation apparatus in 1933 was £15 5s. 4d.

GORDON ROBERTSON,  
*Chairman.*

## REPORT OF THE NURSING COMMITTEE,

*For the year ended 31st December, 1933.*

---

The number of applications for training received during the year was 399 as against 379 in 1932. The Staff now numbers 104, made up as follows:—1 Matron, 1 Assistant Matron, 1 Home Sister, 1 Sister in charge of the "Rigby Hostel," 1 Housekeeping Sister, 1 Sister Tutor, 1 Night Sister, 1 X-Ray Sister, 1 Out-patient Sister, 1 Theatre Sister, 10 Ward Sisters, 14 Certificated Nurses, and 70 Nurses in training. Twenty-eight Probationers entered for training, one of whom left for health reasons, two as being unsuitable for the work, and four not wishing to continue their training.

Seventeen Nurses left on the completion of their training; six to take their Maternity training, five for training in another branch of Nursing, three to do Private work and three to be married. Miss F. Hutchinson who entered for training in 1911 and had been on the Private Nursing Staff since January, 1915, retired last October and now resides at Hove. One could not wish to find a more loyal and conscientious worker, and she is much missed at the Hospital.

During the year the following resignation was received: Miss O. Schofield, Home Sister, on her appointment as Assistant Matron at the General Hospital, Birkenhead.

The following appointment was made:—Miss M. E. Thomas of the Royal Infirmary, Bristol, as Home Sister.

Fifty-one Nurses entered for the State Examinations, forty-one of whom were successful. Hospital examinations were also held during the Spring and Autumn.

The Gold Medal, which also carries with it a grant towards maternity training, was awarded to Nurse Bradbury who obtained 84.8% marks in seven subjects.

The Junior Silver Medal was won by Nurse Bineham, who gained an average of 82.12% in six subjects.

The Book Prizes for the First Year Examinations were awarded to Nurses Rodd and Wood.

Book Prizes were also awarded for special subjects and were won as follow :—

Medicine	...	...	...	Nurse Robinson.
Surgery	...	...	...	„ Bradbury.
Children's Diseases			...	„ „
Anatomy	...	...	...	„ Houghton.
Physiology	...	...	...	„ Winfield.

These Prizes were kindly presented to the successful candidates by Mrs. Ritchie at an "At Home" held in the Massage Department in October.

Seven Nurses have obtained their Midwifery Certificates, grants being made from the John Rankin Fund which is an invaluable help to the Nursing Staff in many ways.

The year 1933 has been a particularly busy one as the Nursing Staff have worked hard to help the finances of the Hospital. Their efforts have been most successful and their loyalty and co-operation through a most difficult time have been much appreciated.

N. B. CAPON,  
*Chairman.*

## Report on the Almoner's Department, 1933.

---

Interviews are recorded in respect of 2912 In-Patients and 4272 Out-Patients.

### IN-PATIENTS.

1933 ...	1712 = 46%	1933 ...	8601 = 36%

### CONVALESCENT TREATMENT.

Convalescent cases may be divided into two sections : Child and Adult. The first covers a wide ground ranging from Out-patients to In-patients many of whom need periods at the seaside and others special diet. Most of children requiring convalescent treatment are referred to the Child Welfare Association whose help is invaluable. Then there is the man or woman who has had an operation and needs three weeks of careful dietry or a change from home worries in restful surroundings. There are also the victims of accidents who have to face many weeks with a leg or arm in plaster. For these a convalescent home is a source of great relief both physically and mentally.

Arrangements are made for the convalescent treatment of Penny in the Pound patients by the Merseyside Hospital Council without whose help and co-operation the benefits of convalescent treatment would be entirely beyond the reach of many contributors.

## ROAD TRAFFIC ACT.

The number of patients treated in the Wards as the result of motor accidents was twenty-nine. The total cost to the Hospital was £213 15s. 1d., towards which only £135 3s. 9d. (*i.e.*, 63% of the total cost) was received from Insurance Companies.

Section 36 (2) of the Road Traffic Act of 1930 was specially incorporated to assist the Voluntary Hospitals in the cost of treating in-patients up to a maximum of £25. Through the efforts of King Edward's Hospital Fund for London and the British Hospitals Association, a Clause has now been inserted in the Road and Rail Traffic Act, 1933, containing the following provisions :—

- (a) An increase in the maximum amount recoverable from £25 to £50 in respect of the cost of treatment of in-patients.
- (b) A maximum payment of £5 in respect of the treatment of Out-patients.
- (c) The removal of certain difficulties under the Road Traffic Act of 1930 in regard to "ex-gratia" payments and payments by contributory schemes.

These changes will undoubtedly help the Hospitals to recover with less difficulty the costs of treating motor accident cases.

## SUMMARY OF PRINCIPAL FORMS OF ASSISTANCE GIVEN TO PATIENTS :

- 86 referred to the Merseyside Hospitals Council for Convalescent Treatment.
- 38 referred to the Merseyside Hospitals Council for Surgical Appliances.
- 3 referred to After-Care Service, Merseyside Hospitals Council, for extra nourishment.
- 3 to Birkenhead Child Welfare Association for Surgical Appliances.
- 82 to Liverpool Child Welfare Association for Milk, Convalescence and Surgical Appliances.
- 13 to Personal Service Society for extra nourishment, Convalescence, Clothing and Dentures.
- 1 to Waterloo and Seaforth Public Assistance Committee for Surgical Appliance.
- 18 to Liverpool Public Assistance Committee for extra nourishment.
- 1 to British Red Cross Society for Surgical Appliance.
- 6 to British Legion Society for Teeth, Boots and Clothing.
- 1 to T.B. Officer, Colne, Lancs., for Spinal Frame.
- 5 to T.B. Officer, Liverpool, for Convalescence and Surgical Appliances.
- 2 to Liverpool Housing Committee.
- 3 to District Nursing Association for daily dressings.
- 3 to West Lancashire Association for Mental Welfare.
- 2 to Convalescent Home through Insurance Co's.
- 3 to Royal Southern Hospital's Cot at West Kirby Children's Convalescent Home.
- 10 necessitous families visited and all received "Good-fellow" Parcels of food, etc.

The Committee's thanks are due to these and other agencies who have rendered such valuable help during the year.

ROYAL SOUTHERN HOSPITAL, LIVERPOOL.

Mrs. W. JOHNSON, Bishopton, Grassendale Park.

**The object of this League is to help to provide the Hospital with household Linen and Garments needed by Patients whilst in Hospital.**

---

#### QUALIFICATIONS FOR MEMBERSHIP.

Vice-Presidents—One Guinea per annum, or more.

Subscribers—2/6 per annum, or more.

All subscriptions payable to the Hon. Treasurer.

---

#### REPORT OF THE LADIES' LINEN LEAGUE, for 1933.

The Committee of the Ladies' Linen League have pleasure in presenting their Report for the year 1933, together with the list of subscribers and statement of account.

Owing to the urgency of the big Appeal made by the Hospital during the year, no separate effort to raise additional money was undertaken by the Linen League. The Committee was however able to grant Matron £150 for the purchase of linen, and they hope to be able to hold a Sale on behalf of their own Funds next year.

The Annual Show of Linen was held in the Massage Department on November 1st at the same time as the Nurses' Prize-giving. On this occasion the Committee of the Linen League were At Home to all friends and supporters of the League and to the Nursing Staff and their friends. The Committee hoped in this way to show their gratitude and appreciation for all the help they have received for so many years (and especially during the year of the Appeal) from their friends, and for the constant and unflagging support of the Matron, Sisters and Nurses. The At Home was very well attended and the Honorary Treasurer was delighted to report that ten new subscribers had come forward during the afternoon.

Still more subscribers are wanted, however, if, as it is hoped, the Linen League is to contribute in a larger measure than before towards the maintenance of the Hospital. and all members are asked to persuade as many friends as possible to join the League.

## CONSTITUTION AND GENERAL LAWS.

---

1. This Institution shall be called the "ROYAL SOUTHERN HOSPITAL," and shall be confined as much as possible to severe accidents and acute cases.

2. GOVERNMENT VESTED IN TRUSTEES.—The Government of this Institution shall be vested in Trustees, qualified as hereinafter mentioned, who shall meet on the second Monday in February every year, or as near thereto as possible. The meeting to be convened by public advertisement in two or more of the Liverpool newspapers.

3. QUALIFICATION OF TRUSTEES.—The Trustees shall be as follow—  
 (a) Every individual donor of £20 or upwards in one payment shall be a Trustee for life. Any Company, Firm, Club, Society, or Executors or Trustees of a deceased person who (or whose Testator) may give £20 or upwards in one sum, may nominate one of its members, or number, as Trustee for his or her life. (b) Every annual subscriber of Two Guineas or upwards shall be a Trustee so long as he or she continues the subscription. (c) Any Companies, Firms, Executors, or Trustees on the list of Trustees for Life, on the 1st day of January, 1899, provided that such Trustee shall vote in accordance with the Regulations of paragraph 4 hereof. (d) The members of the Appeal Committee as on the 9th day of June, 1933. (e) The Honorary Physicians and Surgeons. (f) The Honorary Consulting Officers of the Institution. The Trustees mentioned in sub-paragraphs (e) and (f) shall be ex-officio Trustees so long as they hold the qualifying office.

4. PRIVILEGES OF TRUSTEES.—Every Trustee shall have the privilege of recommending patients, and voting at elections, other than elections of Medical Officers and at all General Meetings. Mercantile and other Firms may vote by any member of the Firm, and one additional member of such Firm shall be entitled to a vote for every sum of Two Guineas annually subscribed by such Firm over and above the first Two Guineas. Corporate Bodies, Clubs, and Societies shall have one vote in respect of any annual subscription of Two Guineas or upwards, or donation of Twenty pounds or upwards in one payment, and any Officer of such Corporate Body, Club or Society nominated in writing may exercise the right of voting for one year. Executors and Trustees of deceased persons entitled to vote may vote by one of their number. Subscribers of one guinea and upwards have the privilege of recommending Patients. Any person annually collecting a sum of £5 or upwards, or any clergyman raising a like sum by a collection on behalf of the Hospital, shall have the privilege of Annual Subscribers.

5. SUBSCRIPTIONS WHEN DUE.—All Subscriptions are due in advance, on the 1st January, and are considered to be continued each current year, unless notice be given in writing to the contrary; and no person whose subscription is unpaid shall have any of the privileges of the Institution.

6. ANNUAL MEETING OF TRUSTEES.—At the Annual Meeting, the Committee shall submit their report of the state of the Hospital for the past year, and the Annual Statement of Accounts, showing the receipts and disbursements of the Hospital, signed by the Treasurer and

Auditors, which report and statement shall have the approval of the meeting prior to being printed and distributed among the Trustees and Subscribers. A Committee shall be elected for the ensuing year, consisting of a President, three Vice-Presidents, a Treasurer, two of the Honorary Medical Officers (to be nominated by the Medical Board), and not less than twenty other Trustees, at which meeting also the Honorary Medical Officers shall be subject to re-appointment. The President of Committee shall, ex-officio, be a Member of every Sub-Committee (except the Medical Board), whether Ordinary or Special, appointed by the General Committee, in addition to the number of Members appointed to serve on the various Committees.

7. SPECIAL MEETINGS OF TRUSTEES.—The Committee may, at such times and on such occasions as they may consider expedient, call Special Meetings of the Trustees, and on a requisition for such meetings, signed by Twenty Trustees and addressed to the President, the Committee shall call a meeting of Trustees within one calendar month of the presentation of the requisition to the President; and in all cases of calling Special Meetings, shall give fourteen days' notice by advertisement in two of the Liverpool newspapers, stating the objects for which the meeting is called. No other business shall be taken into consideration at those meetings but that mentioned in the advertisement.

8. ALTERATION IN LAWS BY TRUSTEES.—When any new Laws are to be proposed, or any of the old Laws altered or abrogated, either at the Annual Meeting of the Trustees, or at any Special Meeting of Trustees called for the purpose, the substance of the proposed new Law, or of the existing Law as proposed to be altered or abrogated, shall be laid before the Committee at the Monthly Meeting next preceding; and at any meeting of the Committee for carrying any such proposition into effect, not less than nine members shall be present, and not less than two-thirds of the Meeting shall constitute a majority, unless such majority shall amount to more than one-half of the whole Committee.

9. DIRECTION VESTED IN A COMMITTEE.—The Members of the Committee elected by the Trustees at their Annual Meeting, and the two Honorary Medical Officers, who shall be nominated by the Medical Board out of their own body, in such order as they may judge expedient, shall form the Committee, in whom shall be vested the Direction and General Management of the Hospital.

10. COMMITTEE MEETINGS.—The Committee shall meet at the Hospital on the first Friday in every month (not less than five to form a quorum), and shall contract, by public advertisement or otherwise, for the necessary supplies at suitable periods, and shall control the whole affairs of the Institution, with power to make Bye-Laws, and to amend or suspend the operation of any of the General Laws until a Meeting of the Trustees.

11. MINUTES OF COMMITTEE PROCEEDINGS.—Minutes of the proceedings of all meetings of Trustees and of the Committee shall be recorded in a book kept for that purpose, and shall be signed by the Chairman of the Meeting.

12. BOARD OF MANAGEMENT.—The Committee shall appoint at their first General Meeting nine of their body to act as a Board of Management for the ensuing year, of which Board the Treasurer shall be one (the former Board continuing their services until their successors shall be appointed). This Board of Management shall meet at least once a

week, and three shall constitute a quorum. The Committee shall also elect every month two of their number to act as Visitors.

13. DUTIES OF THE BOARD OF MANAGEMENT AND VISITORS.—The Board shall enquire into everything relative to the economy and management of the house and patients; they shall see that the rules and regulations, in every department of the Hospital, are attended to, recording their proceedings in a book provided for that purpose. The two Visitors shall in like manner keep a book, recording in it their visits, with the dates, and any observations they may think proper to make. These books shall always remain in the Board-room, under the charge of the Superintendent, and open to the inspection of every Trustee. The proceedings of the Board of Management shall be subject to revision or confirmation by the General Committee.

14. SPECIAL MEETINGS OF THE COMMITTEE.—The Board of Management shall, as often as occasion may require, call Special Meetings of the Committee, stating the object for which such meeting is called. No other business to be taken into consideration at such meeting.

14a The Committee shall appoint at their first general meeting not less than ten of the Trustees, of whom the Honorary Treasurer shall be one, to act as a Maintenance Committee of the Hospital for the ensuing year, for the purpose of raising funds towards the sum necessary to meet the annual deficit between ordinary income and ordinary expenditure of the Hospital. The Maintenance Committee shall have the right to co-opt not more than five persons who are not Trustees.

15. TREASURER'S DUTIES.—The Treasurer shall place the money which he may receive in such bank or banks as the Committee may recommend, in the name of the Royal Southern Hospital. He shall pay all accounts after they have been passed by the Board of Management and shall take care that an account of the receipts and disbursements of the Institution be submitted monthly to the Committee, and that an annual statement signed by the Treasurer and Auditors, be laid before the General Meeting of Trustees. All cheques or orders on the bank shall be signed by either the Treasurer and one other member of the Board of Management, or any two members of the Board of Management, and countersigned by the Superintendent.

16. PROFESSIONAL AUDITOR.—That the Committee shall appoint annually a Professional Auditor, who shall examine and certify the Accounts prior to the Annual Meeting.

17.—MEDICAL OFFICERS.—The Honorary Medical Officers of the Hospital shall be appointed from time to time by a Medical Officers' Election Committee. The number of Medical Officers may be increased or diminished from time to time at the discretion of the Hospital Committee. The Medical Officers' Election Committee (herein called the Election Committee) shall consist of the following:—The Committee of the Hospital; the Honorary Physicians of the Hospital; the Honorary Surgeons of the Hospital; Twenty Representatives of the Trustees, to be chosen as hereinafter provided. The twenty representative members shall be chosen by the Hospital Committee. Any Trustee who desires to serve on the Election Committee may hand in his name to the Secretary, either at the Annual Meeting, to be held in the year 1939, or within fourteen days thereafter, stating that he is willing to serve. Should the number of those desiring to serve exceed twenty that number shall be selected by the Hospital Committee by the drawing of lots. Should the number of those desiring to serve fall

short of twenty, the Hospital Committee may fill the vacancies by nominating such Trustees as they think desirable. Such Election Committee shall serve for five years from the date of the Annual Meeting in 1934 to the Annual Meeting in 1939. In the event of any vacancies occurring between 1934 and 1939, either through death or resignation among the Trustees' Representatives upon the Election Committee, the Hospital Committee shall fill such vacancies by nominating other Trustees for the purpose, but such Trustees shall only hold office for the time which the Trustees originally appointed would have held office had such Trustees not died or resigned. At the Annual Meeting in 1939 a fresh Election of Trustees' representatives shall take place in the same manner as that hereinbefore provided, and so on every five years. The Election Committee shall have no other powers or functions than the appointment of Honorary Medical Officers. The Election Committee shall be conducted as follows:—In case of any vacancy in the Medical Staff an advertisement shall be issued inviting applications for the vacant appointment, and applications in writing addressed to the Chairman for the time being of the Hospital Committee shall be delivered at or posted to the Hospital within such time as the Committee may determine. On the expiration of such period the Chairman shall summon a meeting of the Election Committee giving not less than fourteen days' notice to the meeting. All applications and the accompanying documents shall be open for the inspection of any member of the Election Committee for ten days preceding the day of the meeting of the Committee. Any candidate shall be disqualified who advertises in the public papers or personally canvasses the members of the Election Committee, but candidates are to be at liberty to send to the members copies of their applications and accompanying documents as delivered to the Chairman of the Committee. The Election Committee shall proceed to the election of the Officer or Officers, which in the event of a contest shall be by ballot, to be taken in such manner as the Chairman of the meeting directs. The quorum for the meeting at which such election takes place shall be ten members personally present. If there is not a quorum present those who are present within fifteen minutes shall have power to adjourn the meeting, and so from time to time until a quorum is secured. No member shall be allowed to vote by proxy. The election shall be conducted in the manner following:—All the candidates shall first be submitted to the vote—the candidate receiving the lowest number of votes shall be withdrawn, and the remainder be again voted for and so on in like manner until the candidates are reduced to two in number; the candidate then securing the greatest number of votes shall be elected. Each member shall have one vote for one candidate only at each voting. The Chairman shall have a casting vote. Any member of the Trustees' representatives on the Election Committee who shall cease to hold a qualification as a Trustee shall *ipso facto* cease to be a member of the Election Committee. The Secretary of the Hospital Committee shall summon a meeting of the Election Committee:—(1) Whenever he is requested to do so by the Chairman of the Committee of the Hospital. (2) Whenever not less than ten members of the Election Committee request him to do so.

The Chairman of the Hospital Committee for the time being shall be the Chairman of the Election Committee, and in case of his absence at any meeting the members of the Election Committee who shall be present shall elect one of their number to be Chairman of the meeting. The Chairman of the meeting shall have absolute power to regulate its procedure and the conduct of the ballot.

18. The Chairman of the Hospital Committee shall submit the names of the Honorary Medical Officers to each Annual Meeting of the Trustees for confirmation in each year, but the name of any Physician or Surgeon who shall have completed his sixtieth year of age on or before the day of such Annual Meeting shall not be submitted for confirmation, unless under exceptional circumstances an extended term of office be recommended by the Committee of the Hospital, but in no case shall any Physician or Surgeon continue to hold Office after attaining his 65th birthday.

18a. VACANCIES.—On the occurrence of a vacancy in the office of President, or any other Officer or Member of the Committee, such vacancy may be filled up, if deemed necessary, by the Committee.

19. CONSULTING MEDICAL OFFICERS.—A Physician or Surgeon having completed his full term of Office, shall become an Honorary Consulting Officer of the Institution.

20. PHYSICIANS' QUALIFICATIONS.—Candidates for the post of Honorary Physician must possess a Medical Degree of a British or Irish University and the Membership of the Royal College of Physicians of London.

21. SURGEONS' QUALIFICATIONS.—Candidates for the post of Honorary Surgeon at all Elections held after December 31st, 1912, must possess the Fellowship of the Royal College of Surgeons of England, Edinburgh or Ireland, and the Candidate appointed, if not possessing the Fellowship of the Royal College of Surgeons of England, shall undertake to obtain that qualification within four years of his appointment, failing which his appointment shall, *ipso facto*, become terminated.

21a. HONORARY ASSISTANT PHYSICIANS' AND HONORARY ASSISTANT SURGEONS' QUALIFICATIONS.—Candidates for the post of Honorary Assistant Physician or Honorary Assistant Surgeon must possess the qualifications necessary for the post of Honorary Physician or Honorary Surgeon respectively. In the case of the Honorary Assistant Surgeon, the candidate appointed, if not already possessing the Fellowship of the Royal College of Surgeons of England shall undertake to obtain that qualification within four years of his appointment, and, in the case of the Honorary Assistant Physician, the candidate appointed, if not already possessing the Membership of the Royal College of Physicians of London, shall undertake to obtain that qualification within four years of his appointment failing which his appointment shall, *ipso facto*, become terminated.

22. PHYSICIANS AND SURGEONS NOT TO HOLD OTHER OFFICES.—No Honorary Medical Officer of this Hospital shall at the same time be an Honorary Physician or Surgeon to any other General Hospital, or be a District Parochial Medical Officer for the Poor, or Physician, or Surgeon, to any Society for affording mutual relief in sickness, infirmity or old age, and if any applicant for the position of Medical Officer of this Hospital holds any such post, he must resign it not later than seven days after his appointment as Physician or Surgeon to this Hospital. If a Physician or Surgeon to this Hospital shall accept an appointment to any of the offices herein named, he shall vacate his office in this Hospital.

23. **MEDICAL BOARD.**—The Honorary Physicians and Honorary Surgeons, Honorary Assistant Physicians, Honorary Assistant Surgeons, and Senior Honorary Medical Officers in charge of Special Departments shall constitute a Board for the consideration of all professional subjects connected with the Hospital, and for such other matters as may be referred to them by the Committee to report thereon. Bye-laws made for the regulation of the Medical and Surgical economy of the Hospital, as well as the other proceedings of the Board shall be subject to revision and confirmation by the Committee at their Monthly Meeting. All proceedings of this Board shall be recorded in a book kept for that purpose, and shall be signed by their Chairman.

24. **IMPORTANT OPERATIONS.**—All regular Medical and Surgical practitioners in the town and neighbourhood shall have the privilege of attending important operations at this Hospital, with the consent of the Operating Surgeon.

25. **APPOINTMENT OF STIPENDIARY OFFICERS.**—The General Committee shall elect the Residents, Matron, and all the Servants of the Hospital, whom they shall also have the power to discharge summarily. The Stipendiary Medical Officers shall not absent themselves at any time, without the special permission of the Medical Board.

26. **RESIDENTS' QUALIFICATIONS.**—Every Candidate for the office of House Physician or House Surgeon shall possess a Registered Medical and Surgical qualification. He shall not engage in Private Practice either in or out of the Hospital, nor shall he attend to any other business than that of this Hospital.

27. **PUPILS.**—Such Apprentices or Pupils as are necessary for the Hospital shall be admitted by the General Committee, who shall also have power to discharge them.

28. **DUTIES AND PRIVILEGES OF CHAIRMAN.**—Whether at the Annual Meeting or at Special Meetings of the Trustees, the President of the Committee shall act as Chairman, and in his absence one of the Vice-Presidents, or in their absence, a qualified Trustee of the Hospital. In case there shall be an equality of votes at any meeting, the Chairman for the time being shall have a casting vote in addition to his own individual vote.

29. **DEEDS AND WRITINGS.**—All deeds, evidences, and writings relating to the Institution shall be kept in an iron chest and secured by two locks, the keys whereof shall be kept by the President, a Vice-President, or the Treasurer; or deposited with the Bankers, subject to the orders of the President, a Vice-President, or the Treasurer; and all property in the furniture shall be vested in the President for the time being.
